

Dinner Invitation

**Richard & Tyra Wiebe
Are Hosting a Free Dinner & Movie Viewing**

***Please* be our dinner guest as we host a movie
that could literally change your life!**

This is not a fund raiser and there will be nothing for sale.

We are inviting those we know & care about to an evening of education on a subject that affects us all...Cancer.

This is the number one disease killing American adults & children. You have probably experienced cancer or know someone who has.

**1 in 2.4 Americans will get cancer in their lifetime
1/3 of them will die from it**

We will be showing a movie that addresses the growing epidemic of cancer as well as how to prevent it & cure it.

You have NOT seen this information anywhere before.

Despite what you may have heard, “We’re losing the war on cancer.”

“...long term survival for advanced cancers has barely budged since the 1970’s.”

- Fortune Magazine – 2004

**Due to Food Preparation: We Must Have RSVP's By Wednesday, Sept. 17th
To RSVP: Call 706-228-2530**
